Toronto Right to Life is hosting the **Toronto Pro-Life Crash Course** from **July 17-19, 2025**. This program is an excellent opportunity for anyone interested in learning practical tools to peacefully and effectively share the pro-life message and put their beliefs into action.

**Last year, 12 participants did street outreach for the very first time and reached hundreds of Torontonians with the pro-life message.** Thanks to the apologetics training he received, one participant changed the minds of two men who had previously supported abortion in difficult cases.

*[OPTIONAL] Proverbs 24: 11-12 asks, "Did you fail to rescue those who were being dragged off to death, those tottering, those near death, because you said, "We didn't know about it"?"*

Canada is one of very few countries in the world with absolutely no law on abortion whatsoever. With 300 pre-born children being killed every day, it is essential that we change hearts and minds in order to save lives.
